June 2026

What we got up to in May

We had just one resident birthday to celebrate this month

Bob on May 29th

We also celebrated our Senior Hari's birthday.

On May Day we invited our families to a wonderful afternoon tea

We made sausage rolls and cakes

Kevin entertained us, and there was dancing!

We did exercises, games and had a great sing a long

We said a sad goodbye to Richard from Housekeeping, who retired,

And did some gardening

And finally we held our first 'Do you remember" session which went really well

What we look forward to in June

- June 1st, Mama Mia themed day with Greek food all day
 - June 4th, 'Do you remember ' session
- June 5th Resident outings start, with a trip to the local garden centre
 - June 9th London Pub sing a long day and food
 - June 11th Kevin will sing
