## Employee of the Month

## **Our Maintenance Superstar!**

A huge congratulations to our Employee of the Month – our wonderful maintenance man! Whether it's fixing, painting, repairing or working his magic behind the scenes, nothing is ever too much trouble and he does it all with a smile on his face. His hard work, kindness and can-do attitude help keep our home looking its very best every single day. Quite simply, our home wouldn't be the warm, welcoming place it is without him. Thank you for everything you do – we really do appreciate you and we're lucky to have you as part of our team!

## **Sun, Songs and Spectacular June Shenanigans!**

**Hold onto your sunhats and get ready to roar!**

**June has completely outdone itself, turning our home into a bustling epicentre of chaos, classic cars and cake. We kicked things into high gear this month with birthday bashes and didn't stop.**

**We've had more action than a prime-time television line up!**

### **OUR BIRTHDAY GIRLS!**

### **SHIRLEY & MARTINE**

**Thank you, Ashleigh, for the delicious cake!**

**One day we were holding our breath at live wrestling matches, with all access backstage passes**

**and the next, we were melting over pint sized ponies trotting through the lounge for some furry cuddle time.**

**When the hot weather hit, we didn't just stay cool – we took the party on the road**

**We soaked up sun and sounds at**

**A multicultural festival**

**And The Curve at Dover seafront**

**Admired shiny engines at a classic car show**

**And took full advantage of the air conditioning at the local bingo hall**

**Enjoyed alfresco lunches**

**Had lots of fun in the garden**

**Headed to the local garden centre to see the animals, especially the resident donkeys!**

**Had the biggest ice-cream competition!**

**And David had his first home grown strawberry**

**Sadly, June wasn't all fun and laughter as we said farewell to our lovely Joan who passed away peacefully at the age of 81.**

**Joan

Next month we are looking forward to more cake to celebrate
