August 2026

What we got up to in July

We had two residents birthdays to celebrate this month

Astrid on 11th and she was 90!

And Kevin on 16th

Lots of new friends were made

Happy faces all round

We saw Benny the therapy dog

Rob sang for us and there was dancing too

Everyone got ready for the Summer party , manicures and balloons

And the BBQ party was just so much fun, the sun shone all day long

To finish off the month of July we received the wonderful news that we had achieved 'Good ' for all areas on our CQC Inspection , a huge well done to all the staff for this achievement.

What we look forward to in August :

- August 4th will be Caribbean day for the residents with Caribbean food and entertainment
 - August 10th Rob will sing for us all
 - August 17th Reiki with Nick
- August 18th , Phil and Kathy will hold a 'sing a long'
- August 20th Kevin will sing for us all
