Hillbeck News

What a wonderful summer we have had at the home! We would like to start by saying a huge thank you to all our relatives and friends who joined us for our recent Summer Party. It was lovely to see so many familiar faces and to share such a special day together with our residents. A special mention must go to our fantastic staff team, who did a wonderful job decorating the home and creating such a cheerful and welcoming atmosphere. Their hard work really helped to make the day feel extra special for everyone.

Our kitchen team also worked incredibly hard to provide a delicious buffet for everyone to enjoy. There was plenty to choose from and the wonderful spread was certainly appreciated by all.

We were also very lucky to have Claire and her husband entertaining us and helping to create such a fun atmosphere. There was plenty of smiling, singing and enjoyment throughout the day making it a party to remember.

We recently had the pleasure of welcoming Michael who treated us to some wonderful singing. We must also thank his lovely wife who comes along and enjoys dancing with our residents. It is always a delight to see everyone getting involved and enjoying the music together.

We also saw the return of Benny, our therapy dog during August! Benny took a few weeks off during the particularly hot weather and he was certainly missed while he was

away. Our residents were absolutely delighted to see him back again.

A big thank to Louise and Lisa who continue to organise our weekly activities and make sure there is always something enjoyable for our residents to take part in.

Bingo continues to hold the number one spot as our favourite activity, although Lisa's recent pom-pom making session seemed to be getting a lot of likes too!

We are always keen to hear your ideas. If you have an activity suggestion that you think our residents might enjoy, or if you would like to become a volunteer and spend some time with us, please do let us know. We would love to hear from you.

Thank you to everyone who continues to support our home and, most importantly, for helping us create happy moments and special memories for our residents.
