A little preview of what we got up to in September...

September has been another busy month at Blair Park filled with fun, laughter, music and some very colourful moments!

Our Blair Park Adventure this month was inspired by Blackpool and the great British seaside. Unfortunately, we had to adapt some of our planned activities during the month, but that didn't stop us bringing a little seaside fun to Blair Park.

Some rather cheeky visitors even appeared around the home – did you manage to spot all 12 of our peeking seagulls? They popped up in some unexpected places and gave residents, staff and visitors something fun to look out for!

We also enjoyed a trip to The Light cinema settling down together to watch The Princess Bride. We brought the cinema to Blair park with the treat of the stage version of “Summer Holiday” as well as our regular favourites including bingo, quizzes, games, arts and crafts, music and social afternoons.

We were delighted to welcome Karis, who entertained us with a wonderful afternoon of music and familiar songs, bringing plenty of singing, dancing and smiles.

One of our biggest highlights of September was our first Blair Park Community Colour Run at Milton Recreation Ground. Residents joined us at our water and bubble stations while staff, families, friends and members of our local community

took on the course. There was colour, bubbles and laughter everywhere!

We were absolutely thrilled to raise an amazing £435.00 for our Residents' Fund. A huge thank you to everyone who took part, sponsored, volunteered, donated or came along to support us. It was wonderful to see everyone coming together and having fun.

Although September didn't always go quite according to our original plans, we adapted along the way and still found plenty of opportunities to have fun, spend time together and create special memories.

September also saw our End of Summer Staff Appreciation BBQ, giving us an opportunity to say a big thank you to our wonderful team for their continued hard work and dedication, particularly after such an exceptionally hot and busy summer.

October sees our Blair Park Adventures take a magical turn!

Throughout the month we'll be stepping into a world of witches, wizards and ghouls, with lots of magical activities and a little Halloween mischief along the way.

Residents can look forward to wand and miniature broomstick making, potions, magical arts and crafts, themed bingo and quizzes, stories and poems, a film afternoon, magical treats and a special themed afternoon tea.

We'll also be enjoying our Witches, Wizards & Ghouls Halloween Party, so we're looking forward to plenty of spooky fun! Tickets on sale now £3.00 pp.

After September's cheeky seagulls, who knows what might appear around Blair Park during October..

Our monthly raffle will also continue, with tickets available for just 50p a strip. All money raised goes directly into our Residents' Fund and helps us provide activities, outings and special experiences for our residents.

And although it may seem a little early to mention the 'C' word, plans are already beginning for a very special Christmas at Blair Park. Please see dates for your calendar.
